

## NEW PUBLICATIONS.

PRESIDENT CROMWELL. A Drama. By George ALBERT TOWNSEND ("Gath"). \$1.00. (Privately Printed.)

Mr. Townsend pleads in his brief preface, the privilege of poetry, to pass beyond the lines of strict historical truth in an historical play, and to make use of purely fictitious situations and coincidences for the purpose of emphasizing the characters with which the dramatist deals, and illustrating the spirit of the time and society in which they act. The plea is sound; and it cannot fairly be said that he has here abused his privilege. Even those who fail to recognize in Cromwell "the first rough-cast Anglo-Saxon President," and who fall considerably short of Mr. Townsend's fervor in his estimate of the Protector, may commend his choice of literary material. The drama may be regarded as an offset to Mr. Will's "Charles I."

A—ELECTRICAL ENGINEERING best professional, systematic, special instruction for the school of ELECTRICITY, 122 East 26th-st. DAY SCHOOL FOR GIRLS, 6 EAST 45TH-ST., SAMUEL BREARLEY, JR., A. B., PRINCIPAL. A—CHOICE CIRCULARS OF Schools, CITY AND COUNTRY for parents and guardians. French, Spanish and German, Latin and Spanish taught. Thirty-second year begins September 23.
